Dear Commission Members

I am writing as Chair of the Scottish branch of the Society of Local Authority Chief Executives.

At our most recent meeting, the Branch agreed to express its support for the terms of the COSLA response to the Commission's recent call for evidence, which COSLA agreed on Friday 26 June and which I attach for ease of reference.

We would also like to add our view that Non Domestic Rates need to be brought into consideration as part of a broad review of local taxation.

Yours sincerely
